Deschiderea Publică a Ofertelor

S-a examinat:

În urma lansării Licităției Publice Nr. MRCP/W1/01-02 și publicării Invitației de participare la Licităție, 30 de companii (Anexa nr. 5) și-au exprimat interesul de a examina documentele de licitație pentru a determina dacă vor participa la procedura de licitație menționată. În consecință, tuturor acestor firme le-au fost expediate Documentele de Licităție.

La data de 05 martie 2026, ora 10:30 (ora locală), la sediul S.A. Administrația Națională a Drumurilor, a avut loc deschiderea publică a ofertelor (partea tehnică) depuse înainte de termenul limită stabilit în documentele de licitație.

Înainte de termenul limită stabilit pentru depunerea Ofertelor, companiile interesate de procedura de achiziție au solicitat clarificări privind Documentele de Licitatie. AND a răspuns la aceste clarificări, publicându-le pe pagina web oficială a AND, www.andsa.md, precum și expediindu-le ofertanților potențiali prin e-mail.

Procesul de achiziție este guvernat de „Regulamentele privind achizițiile pentru Împrumutului IPF – Achiziții în cadrul Finanțării Proiectelor de Investiții: Bunuri, Lucrări, Servicii Non-Consultanță și Servicii de Consultanță” ale Băncii Mondiale, ediția din septembrie 2023.

Reprezentanții AND au deschis Ofertele (partea tehnică) depuse înainte de termenul limită, în prezența membrilor Comitetului de Evaluare și a reprezentanților Ofertanților, în baza numerelor de înregistrare atribuite fiecărui ofertant, în ordinea în care au fost primite ofertele.

Nu au fost primite modificări, înlocuiri sau retrageri ale Ofertelor înainte de termenul limită stabilit pentru deschiderea Ofertelor.

Toate plicurile depuse marcate „Partea Tehnică” au fost deschise. Toate plicurile marcate „Al Doilea Plic: Partea Financiară” au rămas sigilate și sunt păstrate de către Beneficiar în condiții de siguranță până când vor fi deschise într-o sesiune publică ulterioară de deschidere, după finalizarea evaluării „Părții Tehnice” a Ofertelor.

Registrul de depunere a Ofertelor, Registrul ofertelor întârziate și Lista de verificare privind deschiderea Ofertelor (Partea Tehnică) au fost completate și ulterior semnate atât de reprezentantul AND, cât și de reprezentanții ofertanților (a se vedea Anexele nr. 1, 2 și 4).

Prezența reprezentanților ofertanților este, de asemenea, consemnată într-un registru separat de prezență semnat de aceștia (Anexa nr. 3).

Anexa 5 cuprinde lista entităților care au solicitat documentele de licitație în etapa de licitație.

În cadrul deschiderii publice, Autoritatea Contractantă a dat citire denumirii Ofertanților, dar și a informat despre prezența sau absența „Declarației de Garanție a Ofertei”, conform IPO 25.5 din Documentele de Licitatie.

„Scrisoarea de Ofertă” depusă de fiecare participant și plicurile separate sigilate marcate „Al Doilea Plic: Partea Financiară” au fost vizate de membrii Comitetului de Evaluare prezenți la deschiderea ofertelor, conform IPO 25.6 din Documentele de Licitatie.

S-a hotărât:

1. A desemna Grupul de Experți în următoarea componență:
în scopul evaluării Părții Tehnice a Ofertelor;
2. A elabora Raportul de Evaluare a Ofertelor (Partea Tehnică), în care vor fi reflectate rezultatele evaluării tehnice și care va fi prezentat spre aprobare Comitetului de Evaluare și ulterior Băncii Mondiale spre coordonare și avizare.

The Evaluation Committee has examined:

Following the launch of the Public Bid No. MRCP/W1/01-02 and publication of Invitation for Bids, 30 companies (Annex no. 5) have expressed their interest in reviewing the bidding documents in order to determine whether to participate in the said bidding procedure. Consequently, all such firms have been sent the Bidding Documents.

On March 05, 2026, 10:30 am, (local time), at J.S.C. National Road Administration's headquarters, the Opening of the Technical Parts of the Bids submitted before the established deadline, i.e. 10:00 am (local time), has been held.

Before the established deadline for submission of Bids, the companies interested in the bidding procedure, have requested clarifications regarding the Bidding Documents. NRA responded to those clarifications, publishing them on the NRA's official web page, www.andsa.md, as well as sending them to the prospective bidders by email.

The procurement process is governed by the World Bank's „*Procurement Regulations for IPF Borrowers-Procurement in Investment Projects Financing: Goods, Works, Non-Consulting and Consulting Services*”, dated September 2023.

The NRA's representatives opened the Technical Parts of Bids submitted before the deadline, in the presence of the Evaluation Committee members and Bidders' representatives, based on registration numbers assigned to each bidder, in the order in which the bids have been received.

No modifications, substitutions and withdrawals of Bids have been received before deadline for opening of the Bids.

All submitted envelopes marked “Technical Part” were opened. All envelopes marked “Second Envelope: Financial Part” remained sealed and are kept by the Employer in safe custody until those will be opened at a later public opening session, following completion of the evaluation of the ‘Technical Part’ of the Bids.

The Bid Submission Register, the Register of late bids and the Bid Opening Checklist for the Technical Part of the Bid were filled in and thereafter signed both by the NRA's representative and the bidders' representatives (refer to the Annexes nos. 1, 2 and 4).

The presence of bidders' representatives is also recorded in a separate register of attendance signed by such representatives (Annex no.3).

Annex 5 provides the list of the entities that requested the bidding documents during the bidding stage.

During the public opening, the Employer read out the name(s) of the Bidders and the presence or the absence of the Bid-Securing Declaration, as per ITB 25.5 of the Bidding Documents.

The “Letter of Bid” submitted by each participant and the separate sealed envelope(s) marked “Second Envelope: Financial Part” were initialled by the members of the Evaluation Committee conducting the bid opening, as per ITB 25.6 of the Bidding Documents.
