ROAD SECTOR PROGRAM

Contract RSP/W15/02: Construction of M3 Cimislia Bypass, km 18+700-km 26+138

The Ministry of Infrastructure and Regional Development, represented by the National Road Administration, hereinafter referred to as “the Employer/Client/Promoter”, intends using part of the proceeds of a credit from the European Investment Bank (the Bank) towards the cost of Construction of M3 Cimislia Bypass, km 18+700-km 26+138.

The Employer/Client/Promoter now invites sealed tenders from participants for the following Contract to be funded from part of the proceeds of the credit: **Construction of M3 Cimislia Bypass, km 18+700-km 26+138.**

The works to be carried out includes the new road construction including arrangement of side roads to the agricultural fields and arrangement of minor intersections. Construction of retaining wall and underground drainage system (manholes), slope protection, bridges and overpasses constructions. Arrangement of drainage facilities as construction of the culverts, consolidated lined side drains and outside interception ditches.

Estimated Contract signing is expected in September 2026. Time for Works’ Completion is 915 days from the commencement date, plus 730 days for the Defects Notification Period.

The main works for construction works consist of the following quantities:

- Over 1,117,969.00 cub.m of Earthworks;
- Over 133.000 square meters of Geogrid (R_{cmin}=100kN/m);
- Over 46.000 square meters of Geomat 3D;
- Over 15.000 square meters of Gelon PP80;
- Over 126.000 square meters of Geotextil (R_c-29/30kN/m);
- Over 39.600 cub.m of Subbase Course of Sand;
- Over 183.000 square meters of Geotextil (R_c-16/16kN/m);
- Over 101.600 square meters of Base course of optimal mixture crushed stone, 0-63
- Over 120.000 square meters of foundation layer mixture of cement stabilized aggregates;
- Over 50.000 tons of asphalt;
- Five bridge new construction;
- Over 500 linear meters of culverts construction at different diameters;
- Over 8.000 linear meters of pawed water ways;
- Over 9.700 linear meters of guardrail installation;
- Over 300 pcs of signs installation;
- Over 5.800 square meters of road marking application;
- Arrangement of road illumination;
- Utilities rearrangement as communication cables, power cable, gas pipeline.

The scope of works is estimated and is for guidance only. The final scope will be determined based on the measured quantities of implemented works.

Firms originating from all countries of the world are eligible to tender for this works contract. Pursuant to its Sanctions Policy, the Bank shall not provide finance, directly or indirectly, to or for the benefit of an individual or entity that is subject to financial sanctions imposed by the EU, either autonomously or pursuant to the financial sanctions decided by the United Nations Security Council on the basis of article 41 of the UN Charter.

In order to receive the Tender Documents and any amendments or clarifications to the Tender Documents, the Participants should register by completing the Registration Form available at the following link:

http://files.asd.md/Directia_investitii/Registration_Form_TD_Cimislia_.zip
