Note:

The above information is produced automatically by ECEPP using data provided directly by the participants in their proposals and is for information only.

The Client will undertake evaluation of the proposals received in accordance with the Procurement Documents.

The evaluation process is confidential and any attempt to influence the Client's evaluation or award decision, including the offering or giving of bribes, gifts or other inducement, could result in the rejection of the proposal and the forfeiture of tender security (where provided).

Any contact with the participants will be initiated by the Client in writing through ECEPP.
