km 26+138**

under the Contract RSP/CS/M3/02/2026

**Registration and Opening of Technical Proposals**

**The Evaluation Committee has examined:**

On February 13<sup>th</sup>, 2026, it has been launched the public tender for procurement of supervision services for construction supervision of M3 Cimișlia Bypass, km 18+700-km 26+138 under the Contract RSP/CS/M3/02/2026.

The above-mentioned procurement takes place with the financial support of European Investment Bank (EIB).

Six (6) shortlisted Consultants were invited to submit their Technical and Financial Proposals in response to the RfP.

By the submission deadline of September 17<sup>th</sup>, 2026, 13:00 (local time), Proposals were received from six (6) Consultants:

| No. | COMPANY                                                                                                                                    | TIME OF SUBMISSION           | DATE OF SUBMISSION | REMARKS |

| 6   | <b>TPF Getinsa Euroestudios S.L.</b> (Spain) in JV with <b>TPF Inginerie S.R.L.</b> (Romania)                                              | <b>11:10</b><br>(LOCAL TIME) | <b>17.09.2026</b>  | N/A     |

Proposals are submitted in accordance with the provisions of the Request for Proposals (ITC 17: Submission, Opening, and Evaluation of Proposals), namely:

- a) **Technical Proposal:** one (1) original, 1 (one) hard copy; and 1 electronic copy on USB-stick;
- b) **Financial Proposal:** one (1) original and one (1) electronic copy on USB-stick submitted in a separate sealed envelope, which will be opened, on a later stage, following the successful evaluation of the technical proposals.

During the opening of the technical offers, the face of the envelope containing the financial offer of one of the participating companies (**TPF Getinsa Euroestudios S.L.**) was inadvertently deteriorated due to an unintentional procedural error.

However, no financial information or data was viewed or disclosed, and the affected part of the envelope was immediately resealed appropriately. The financial offer remains securely sealed and will be retained until the subsequent stage of the tender process, in accordance with the established procedure.

EVALUATION COMMITTEE HAS DECIDED:

1. To accept the Proposals received in order to be evaluated;
2. To appoint the following members: [REDACTED]  
[REDACTED] for the evaluation of the Technical Proposals;
3. To elaborate the Technical Evaluation Report, reflecting the evaluation results, and present it for coordination and approval to the Evaluation Committee and, subsequently, to the EIB;
4. Sealed financial proposals will be delivered for the storage to the Secretary of the Evaluation Committee.
